

CONFIDENTIALITY OF RECORDS AND FILES

- **STATEMENT OF POLICY**

Friends of Public Radio Arizona supports the non-profit radio stations licensed to the Maricopa County Community College District. As such, it solicits, accepts, administers, and disburses gifts in the form of donations, contributions, grants, gift-in-kind, and bequests. All records pertaining to such activities are considered confidential to protect donors and prospective donors. We do not sell, trade or give our donor information away and do not conduct mailings on behalf of any other organization.

Friends of Public Radio Arizona in collaboration with station staff maintain active control of all information, records, and files relating to donors and prospective donors, and their gifts, which shall be considered strictly confidential and not available to the public or any non-affiliated third party unless it is required by law or judicial process.
